15 March 1972

MEMORANDUM FOR: [REDACTED]

SUBJECT : Building [REDACTED] Vault Project

REFERENCE : PCS-M72-021 dated 8 March 1972

1. The Director of Communications has approved the release of the balance of the \$66,350 required for the Building [REDACTED] vault project. At present there are insufficient FY-1972 funds to complete the Building [REDACTED] "clean" room extension. This extension will be reviewed at a later date to determine the fiscal year in which it can be funded.

2. Accordingly, you may proceed with the original [REDACTED] two story vault project, including the footings for the clean room extension. OC-A/B&F will verify the status of the funds for this project with your B&F officer. As you know, the vault tenants will be OC-SPD and OC-CCD. Details of the vault project should be coordinated with the Chiefs (or designated officers) of those divisions.
